MONTHLY NEWSLETTER OF THE MADISON MEADOWS MIDDLE SCHOOL

MAY 2023

ISSUE XI

Dear Meadows Families,

I'm not quite sure where this year went. It feels like only yesterday I was writing a letter to welcome everyone to this school year. And now it's May 1st and the last day of school is in sight.

I know that everyone is excited to have a break from school routines and is looking forward to summer vacations, however, we still are focused on our goal of increasing student achievement and academic growth.

As educators, we are constantly reflecting on our approaches to teaching and learning throughout the school year through the professional learning community process on TCT days. During May and June, we specifically look at MAP growth data, student performance on the AASA state assessments, attendance rates, and behavior data to develop annual goals for our school improvement plan.

While on the surface things might seem like they are back to pre-Covid 'normal,' data shows that we still have a lot of work to do to get students on track for future success. We will finish the year strong as students work through end-of-quarter summative projects, the 8th-grade community project, and experiential learning through field trips and guest speakers. We could use your continued support in getting your students to school every day on time as much as possible, ensuring they have a safe space to complete unfinished classwork and homework, setting boundaries for healthy eating, sleeping, and technology use, and keeping expectations high for positive behavior and academic achievement. Meadows's parents have been very supportive and connected, and we need that now more than ever.

I am extremely proud to be the principal of Madison Meadows Middle School. I am thankful every day for the opportunity to work with our students, partner with our families, and lead our staff, and that every day provides a unique opportunity for learning and growth - for students, families, and staff alike.

All my best,

Katy Clark

DATES TO REMEMBER

Half Day - 12:05 Release
Last Day of School

Tues, Aug 8th
First Day of School

**All Library Books are due
Monday, May 1st.
Turn them in to avoid a fine!
Thank you!**

Lunch & Learn

The **City Of Phoenix Zero Waste** program did a presentation for grades 5-8 in honor of Earth Day. Mr. Kelsey England told students that the City of Phoenix has a goal of diverting 90% of landfill waste to recycling and compost because currently, the City sends 9 million pounds of trash a day to the landfill.

Thank you to Student Council and Green Team for sponsoring the event and to PTM for providing lunch. Keep taking those plastic bags to the grocery store to be recycled!

All students are required to have one dose of Tdap and Meningitis immunizations **after they turn 11**, per Arizona Department of Health Services guidelines for school attendance. Summer is a great time to make these appointments so you are ready for the new school year. Once these immunizations are completed, please provide a copy to the Meadows office or you can email it to Nurse Crystal cmacleod@madisoned.org.

by May 24th!

All over-the-counter and prescription medications that are currently in the health office (meds, inhalers, epi-pens, treatments) need to be picked up by a guardian by the end of the day (12:05) on Wed, May 24th. **Medications cannot be stored in the health office over the summer** and will be dispensed in accordance with FDA guidelines if not picked up by the end of the school year. Thank you!

8TH GRADE Community Project Night

Thursday, May 4, 4:30-5:30 pm
Meadows Cafeteria

**8th Grade Parents,
